

September 15, 2023

5:30 - 7:30 pm at the
EUREKA! McConnell Science Museum

The Power of Pikas

We are hoping you'll join us again for our Annual Fall Fundraiser featuring Dinner with a Scientist, hands-on science experiments, and a silent auction! We will be gathering at the EUREKA! McConnell Science Museum on Friday, September 15th at 5:30 pm to support our mission [to inspire a passion and respect for math and science in our community.](#)

This year, our [Dinner with a Scientist](#) will feature [Johanna Varner, PhD.](#) Dr. Varner is an Associate Professor of Biology at CMU where she teaches mammalogy, animal behavior, ecology and evolution, and more. She will share highlights of her research on the small but mighty pika, an alpine mammal that may be sensitive to climate change, as well as ways that the community can help monitor pikas in Colorado.

Your continued support helps EUREKA!:

- [Provide more than \\$50,000 in scholarships for over 250 youth](#) enrolling in STEAM programs at the science museum and in outdoor field science expeditions throughout the year!
- [Host over 2,800 students](#) each summer to provide nearly [100,000 STEAM learning hours!](#)

We hope that we can count on your support to inspire the next generation of brilliant scientists and innovators!

Title Sponsor

\$5,000

- Name & logo recognized as Title Sponsor on all event promos, website, and social media.
- Name/Company listed on our donors page.
- 8 event tickets

McConnell Sponsor

\$2,500

- Name & logo recognized as McConnell Sponsor on all event promos and website.
- Name/Company listed on our donors page.
- 8 event tickets

STEAM Sponsor

\$1,000

- Name & logo recognized as STEAM Sponsor on all event promos and website.
- Name/Company listed on our donors page.
- 8 event tickets

If you are not able to support EUREKA! at a sponsor level, please still consider attending the event, or making a donation to the museum.

Individual tickets and more information will be available soon at
